

GEORGIAN GROUP

NINO ZHVANIA

HEAD, QUALITY ASSURANCE OFFICE

PORTO

2018

What has been done until now?

- Teacher professional development as one of the priorities in the strategic plan – 3-year period
 - Survey of faculty and teachers/ feedback from graduates/students/employers ;
-
- Identified areas for professional development:
 - teaching and learning strategies
 - student/teacher assessment
 - ICT for effective instruction (T&L) ;
 - ...
 - Identification of offices involved in the delivery (administrative staff);
 - Quality procedures;
 - Selection of the right people (trainers)
 - criteria: expertise, certificate, international experience, research/publications
-
- establishment of the innovation centre responsible for providing professional development activities (PC teaching, electronic training for various areas, etc.,)

What are the constraints?

- Resources
- Novice
- Resistance
- Budgeting

What can be done?

- Selection of trainers (recruiting volunteers from the grassroots);
- Designing the courses ;
- Review of the courses;
- procurement/development of appropriate teaching and learning resources;
- launching the courses and their assessment

THANK YOU 😊
