ONLINE TEACHER TRAINING (OTT) COURSE EVALUATION REPORT

Dates: APRIL 26-27-28

Overview of the Training

The three-day training in innovative learning envisaged 9 hours presented in 3 hours per day for 3 days of classroom work and 20 hours of individual work (April 26-28, 2021). Attended by 17 lecturers from the different departments of 4 faculties (Faculty of Civil Engineering, Faculty of Business Technologies, Faculty of Informatics and Computer Systems, Faculty of Engineering Economics, Media Technologies and Social Sciences,) at Georgian Technical University.

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

The trainees were introduced the online innovative methodology of T&L, the theoretical and practical sides. They introduced the next key topics How to activate students learning process with online apps; Applications and tricks used in emergent situations in the T&L process; The essential communication skills when talking before the camera; The platforms for online assessment; Video and teaching strategies.

The participants created their own breakout rooms, created cases in Mentimeter and slido, as well as in google form.

The participants were actively involved in the training course.

Finally, all the participants presented their presentations, modified with the newly acquired knowledge by using video and new active learning methods and strategies. After successful completion of the OTT course, the participants were awarded online certificates.

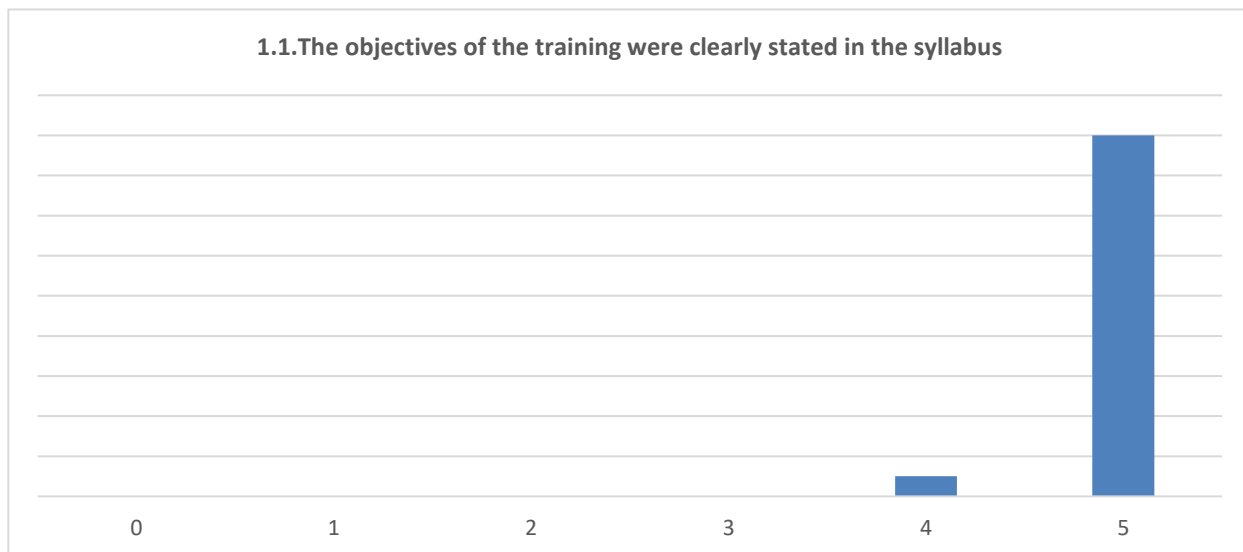

Survey Results

After the finish online training course, the participants filled and submitted the course evaluation form. We have got 19 responses, but two of the participants accidentally submitted two responses. Consequently, we have got 17 responses. Here is the diagram where it is clearly shown (from 0 to 5 points).

First Section

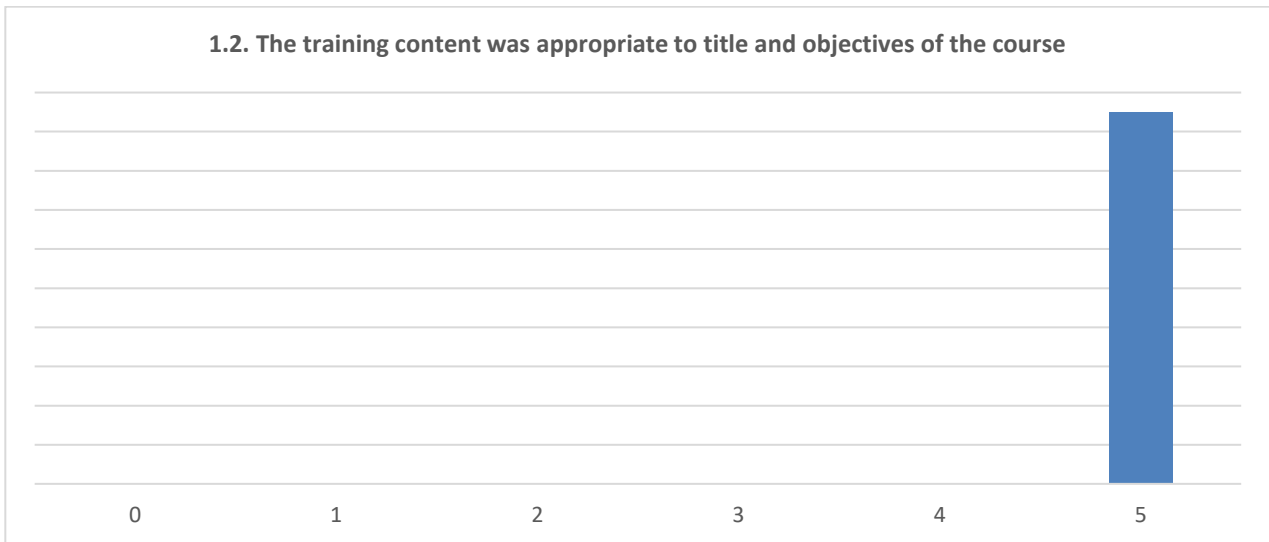

All of them were agreed that the objectives and content of the training were clearly stated in Syllabus and the course was appropriate to title, relevant to their expectation

1.1.The objectives of the training were clearly stated in the syllabus.

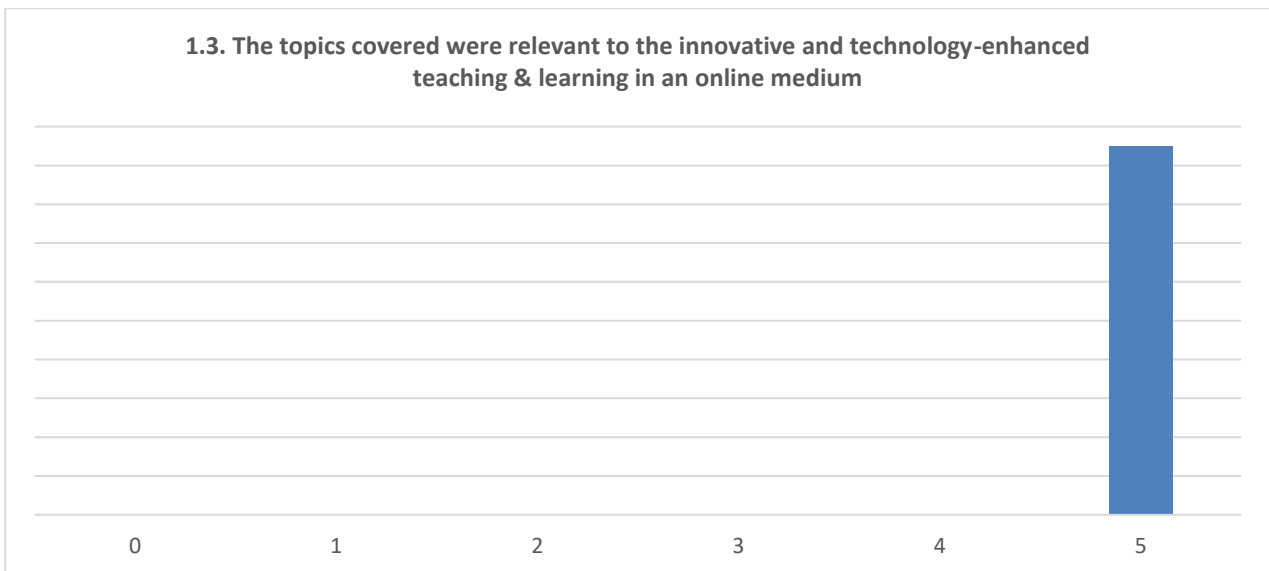

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

1.2. The training content was appropriate to title and objectives of the course

1.3. The topics covered were relevant to the innovative and technology-enhanced teaching & learning in an online medium

Second Section:

Most of them were agreed that quality of the instruction was clear. The course was very interesting and stimulated their interests.

2.1. The instructional methods & learning activities used were relevant to the online mode and achieving the training objectives.

2.2. Participation and interaction during the online training were encouraged

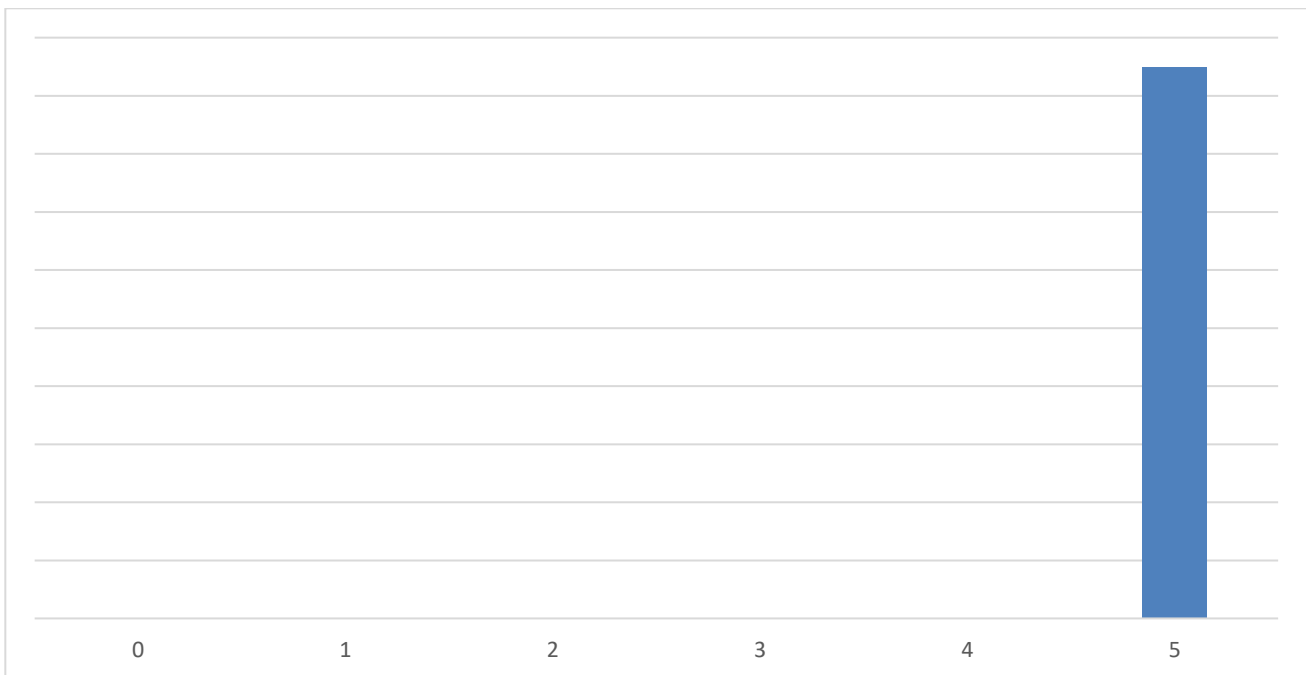

2.3. I acquired new skills on the usage of online teaching tools and methods.

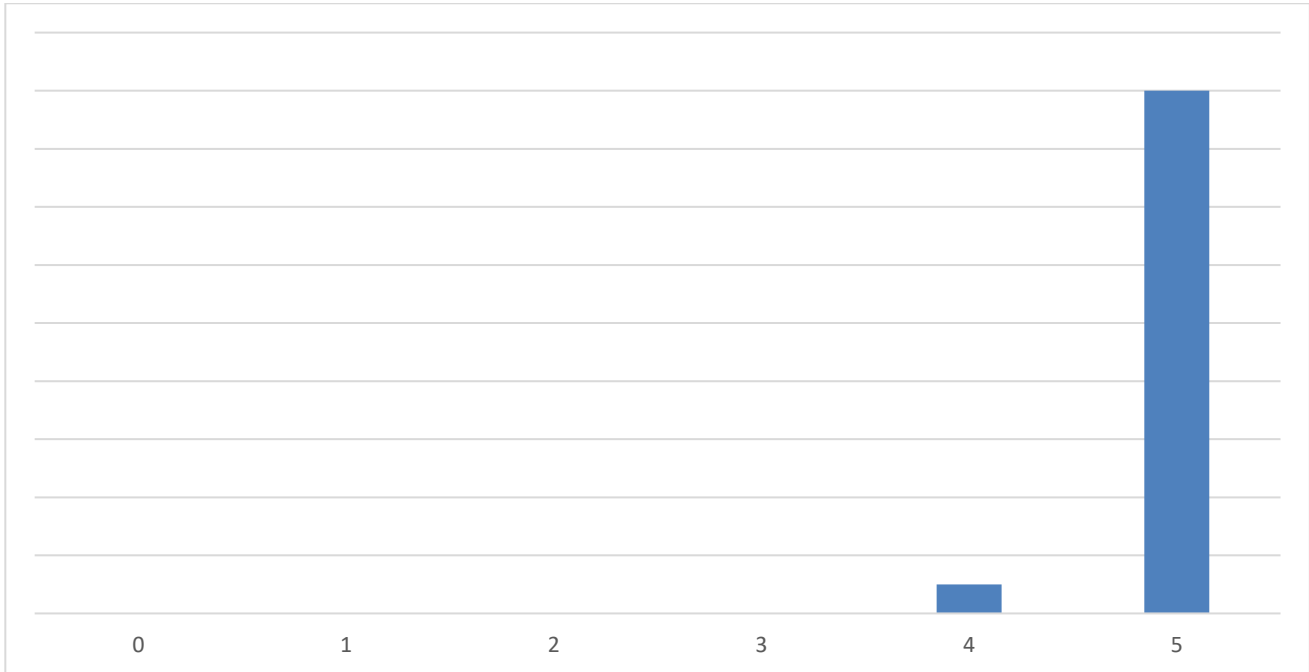

Third Section:

All of them were agreed that the training environment and technologies was well organized and well with the class.

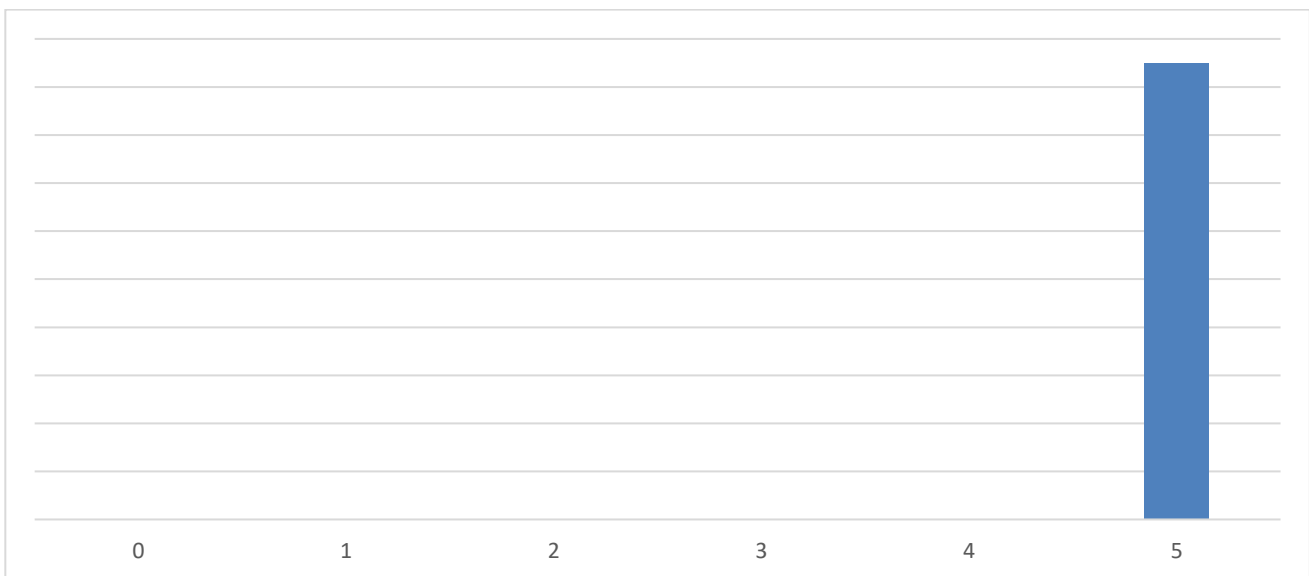

3.1. The online training video platform and technologies used were comfortable and suitable to the learning needs in an online medium.

3.2. The training was supported by adequate electronic/digital learning materials.

3.3. The online tools and technologies used during the training are accessible and applicable for my future teaching practice as well.

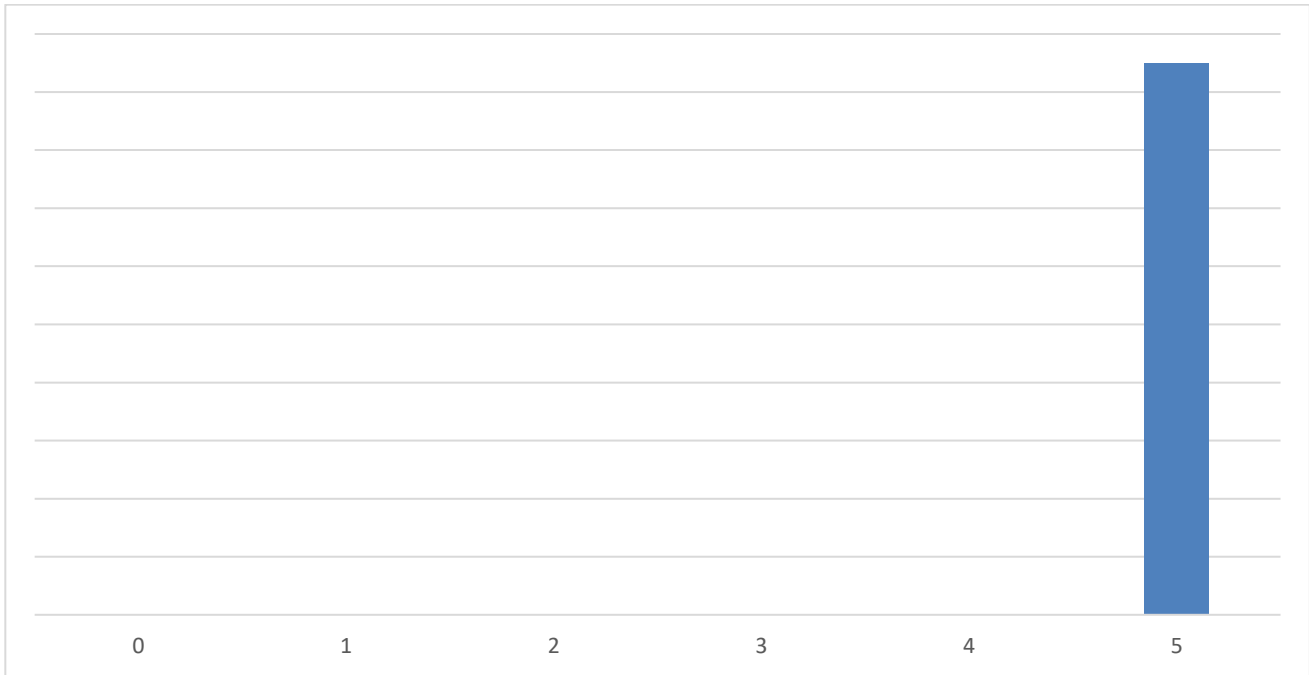

Fourth Section:

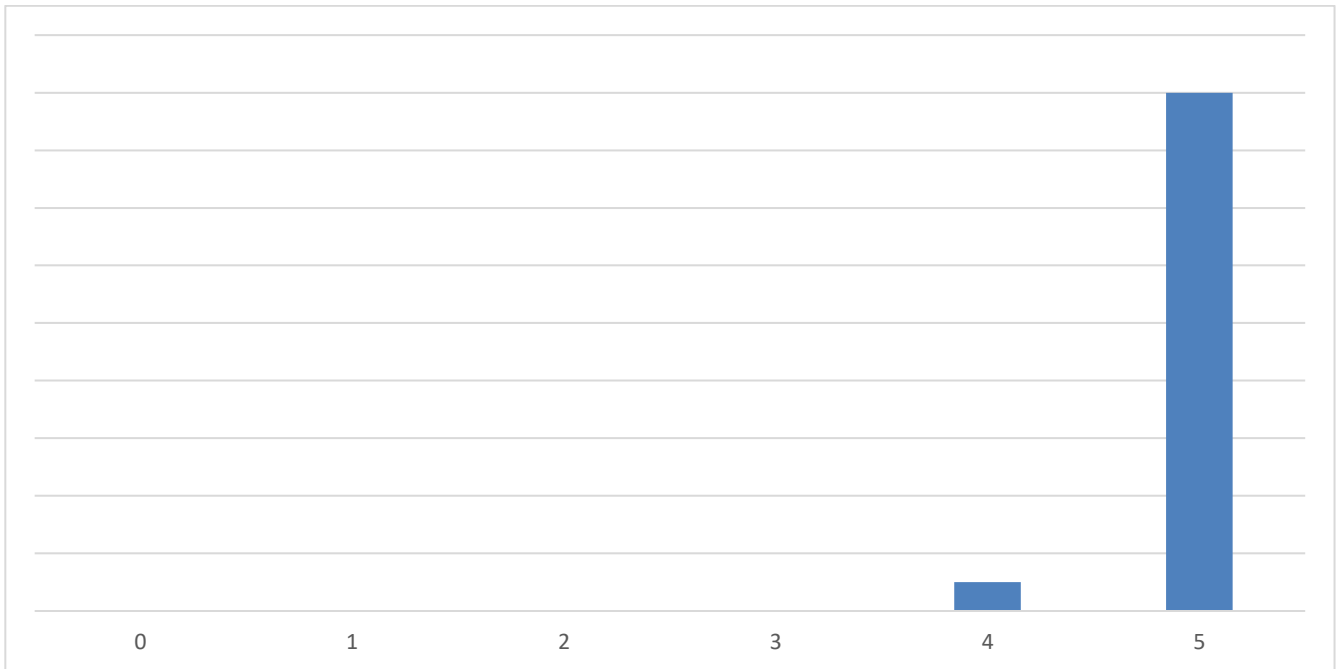

All of them were agreed that the trainer was well prepared for the training, communicated well with the class.

PROJECT # 585760-EPP-1-2017-1-AM-EPPKA2-CBHE-JP

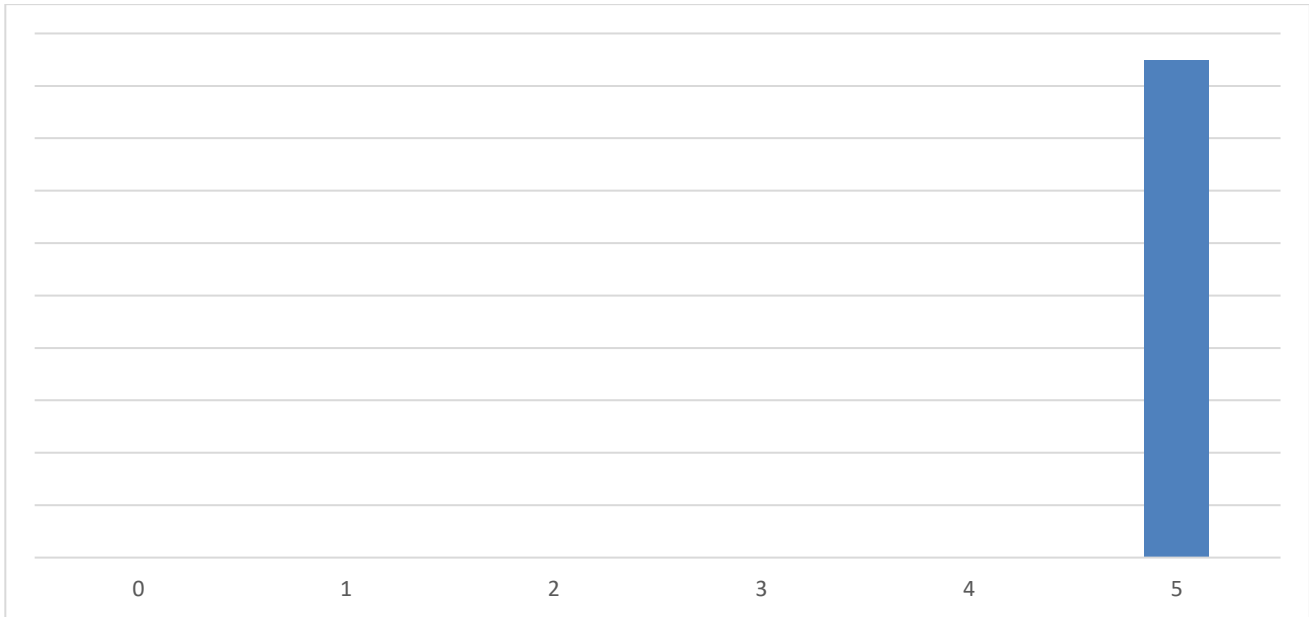

4.1. The trainer demonstrated knowledge & skills of the training topics applied in an online medium.

4.2. The trainer was well prepared for this training and demonstrated online teaching skills.

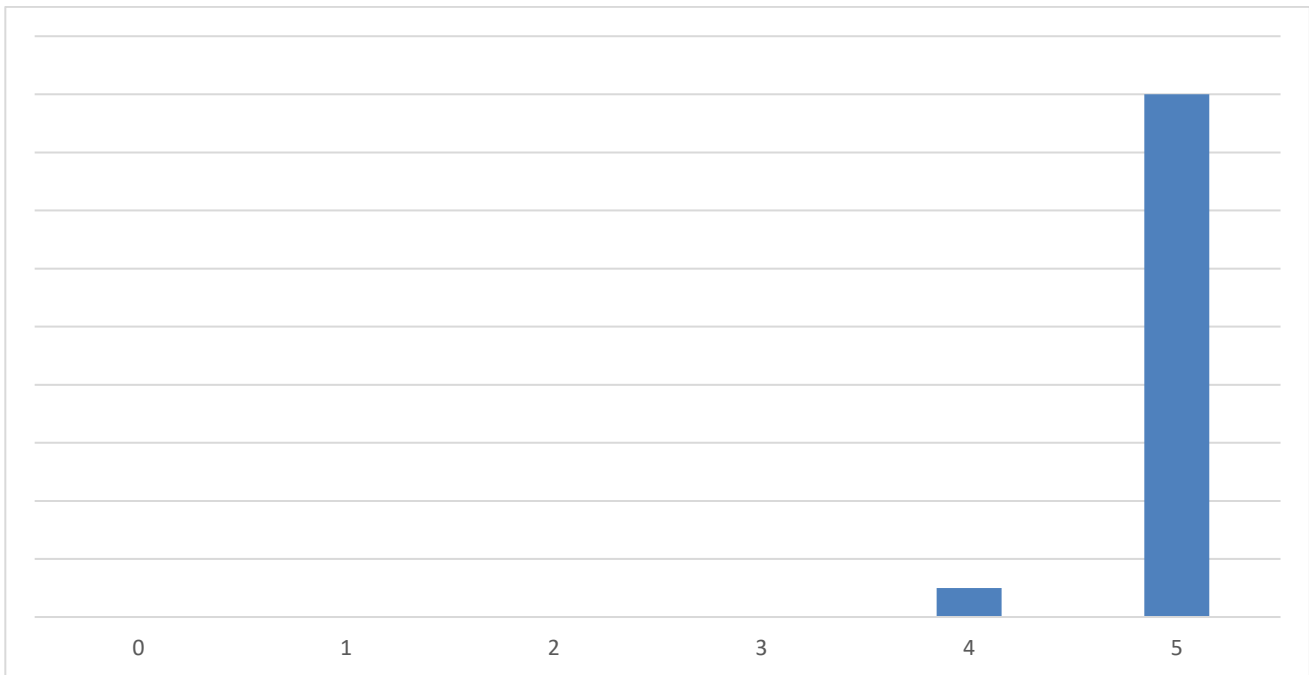

4.3. The trainer communicated well with the class considering the specificities of online teaching mode

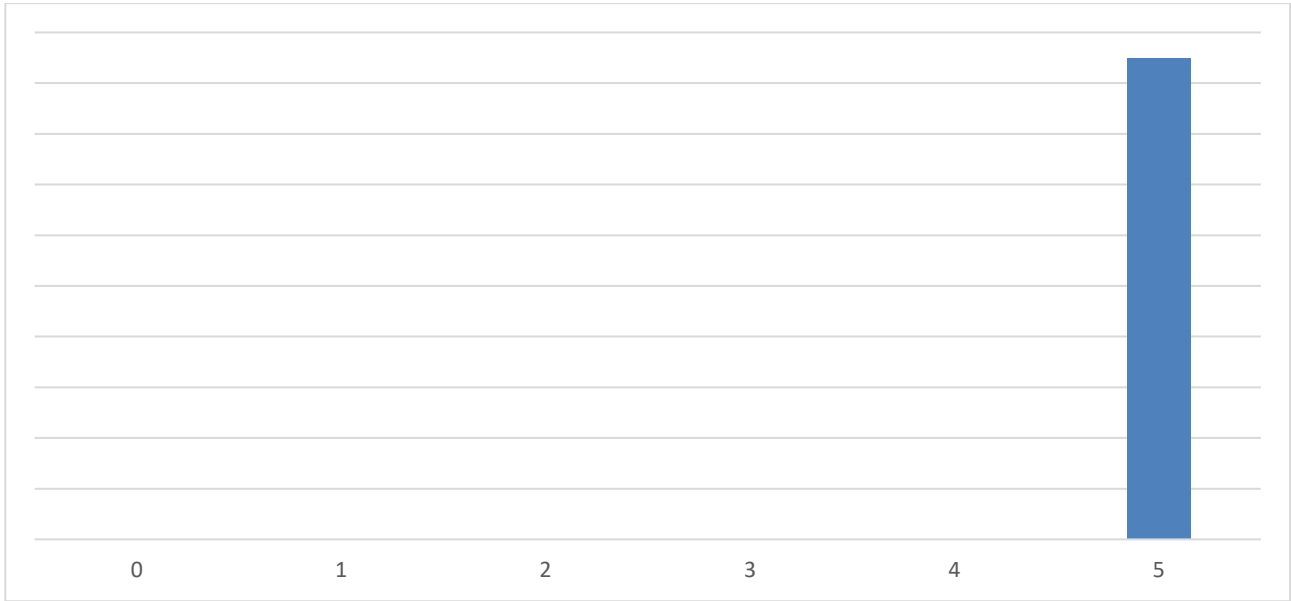

Fifth Section:

All of them agreed that they acquired new skills and they can implement them in their practice.

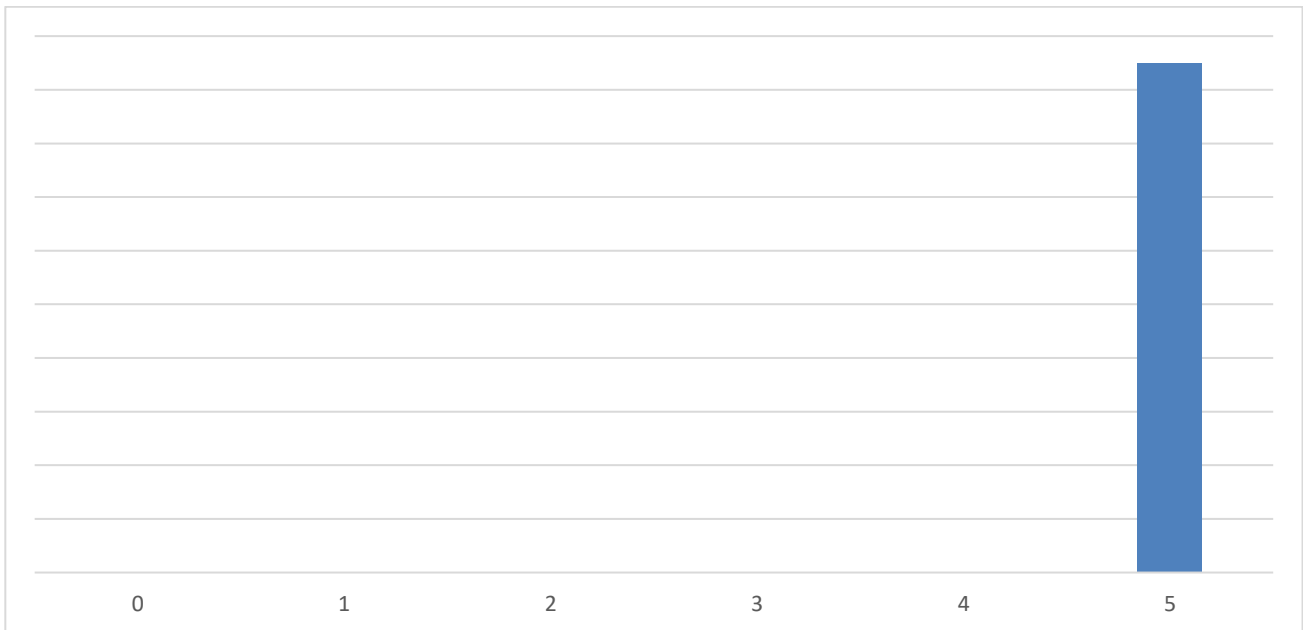

5.1. I acquired new skills on the use of innovative and technology-enhanced teaching and learning in an online medium

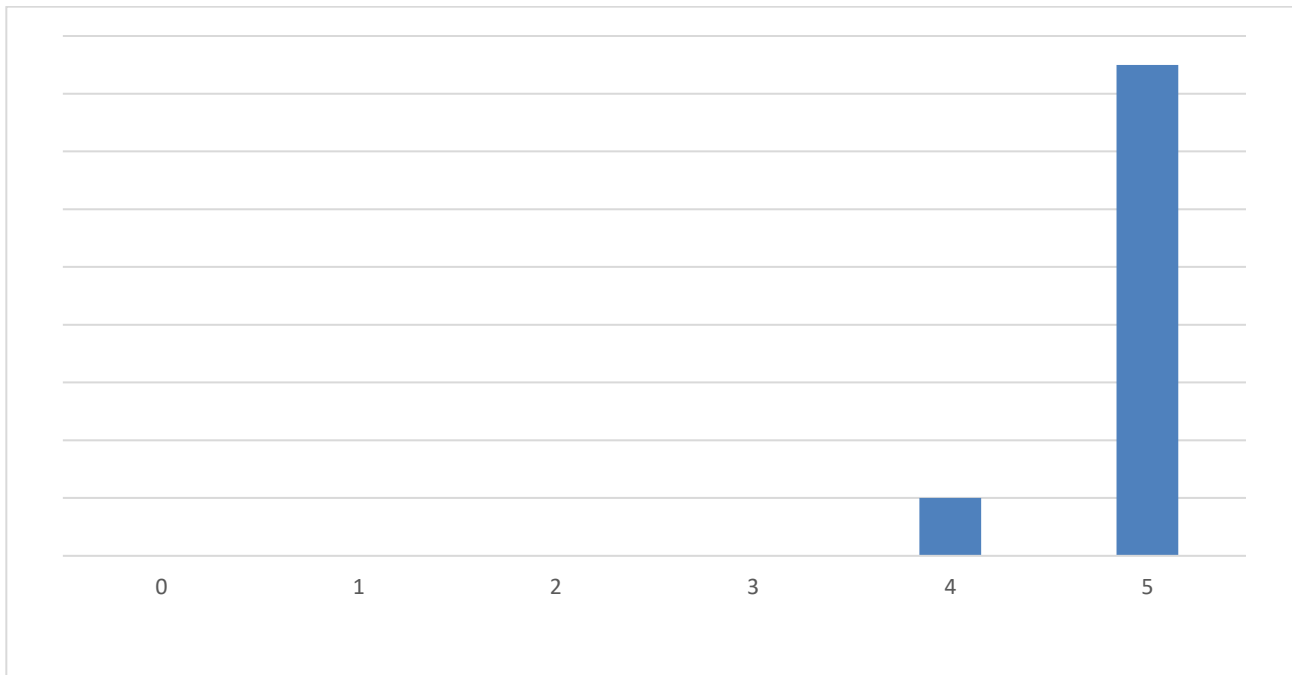

5.2. I will be able to apply acquired skills in my online teaching practice

5.3. I would recommend this online training course to my fellow teachers.

6.1. Overall, how would you rate your experience in this online training?

6.2. How do you plan to change your online teaching practice as a result of this training?

Most of them had written how they plan to change their teaching practice as the result of this training. Here are some of their opinions:

- I will be able to share the visuals better and therefore the teaching process will be more productive
- I will use the knowledge gained as a result of this training in my practice
- I will use digital technologies and video more actively in the interactive learning / teaching process
- I will use new skills, which I learn from this training
- I will definitely use the teaching techniques, which I acquired during the training, in order to change my online teaching practice
- I will apply the knowledge I have acquired in my practice.
- I will use the methods learned in the training
- I will use mobile application
- I will use the skills learned in the training
- The training was productive and I want to use it in practice
- I will use all resources
- This training would greatly contribute and enhance my teaching methods in online platforms, especially in terms of effectively providing necessary electronic materials to students and also improving presentation skills during the classes.
- I will use the skills learned in the training in my practical activities.
- I will use the information and news heard after the training in my training courses
- I will use the knowledge gained as a result of this training in my practice
- As a result of this training I am going to improve my online teaching practice.
- I will use new technologies

6.3. Please write any other comments you might have about this training. (Open-ended question)

- Such trainings helps us to improve our professional skills
- Many thanks to the trainer for the interesting and productive training!
- The training was interesting and topical. The trainer was professional, diligent, charming. Deepest thanks for sharing the knowledge
- Good luck to everyone
- The training was very informative, interesting and creatively designed.
- Big thank you for sharing interesting knowledge
- The training was interesting and productive
- It was very good
- I heard very interesting and useful information
- It was a very interesting training.
- Many thanks to the trainers for the interesting and versatile informative training
- Thanks to the trainer for the interesting and productive training!
- The training was very helpful for me.
- The training was very good for me
- t would be nice if more time was allocated to such an open educational resource as video training, but I well understand that when conducting this training online, this is impossible.
- I am very satisfied.
