

Video as a Learning tool for teachers and students

U.Porto // November 12 - 16, 2018

Requirements

Exercises requires participants to bring their own laptops. Laptops should have a built-in microphone and camera, and run on Microsoft Windows or Mac OS. Participants are encouraged to bring smart devices (as smartphone, ipad, tablet, ultra mobile pc, ...) to use in some of the sessions.

In case you have any questions regarding your equipment, Nuno Regadas will be available for software checking during the first day, Monday.

If participants are unable to bring their own computers or have other kinds of operating systems or presentation software, please contact the organization at least two weeks before the course, so that we can try to find other solutions. Nuno Regadas: nregadas@uporto.pt & Maria Pinto: mariapinto@reit.up.pt.

Hardware requirement list:

- Computer with Windows 7 and above (32 and 64 bit) Mac OSX 10.6 and above
- Processor (min): Intel i3 2.5GHz
- Memory 2GB RAM
- Storage available (min): 5Gb
- Microsoft PowerPoint 2003 and above (only if recording presentations)
- Apple Keynote 2008 and above (only if recording presentations)
- In-built camera and microphone (optional external usb camera and microphone).

note: Whenever tablets or smartphones are used to record, Panopto has an App available at both Google Play store and Apple's App Store. Installation is simple and setup will be provided during the course.
