Dear PRINTeL online Forum participant!

Welcome to the ERASMUS+ PRINTeL project's (www.printel.am) 1st ANNUAL TEACHING & LEARNING FORUM webinar evaluation survey.

You are kindly invited to participate in the feedback survey by completing this online questionnaire **by the 3rd of June**. The aim of the survey is to identify your satisfaction level with the some aspects of the FORUM (overall organization, format, topics and content, speakers, technology used, etc.) that took place on 20th of May, 2021.

We would encourage you to answer all the questions to the best of your knowledge, since the validity of the survey depends upon your frank and honest answers. All the data received from the questionnaire will be published in aggregated form only. Individual answers will remain anonymous and cannot be traced back to you.

It will take you approximately 10 minutes to complete the questionnaire. If you have any further questions, please do not hesitate to contact us via e-mail addresses provided (printel@ysu.am).

To be involved in PRINTeL innovative teaching and learning community and make use of PRINTeL's digital OERs (Open Educational Resources) please visit and register in VATL portal (Virtual Academy of Teaching and Learning, <https://vatl.ysu.am/>).
